Mock fire drill held at UNIKOM bldg

By Nawaf Al-Hamlan

Special to the Arab Times

A team of firefighters drawn from Ardiya, Farwaniya and standby stations undertook a fifteen minutes mock fire exercise in a store inside the United Nations building (UNIKOM)

aimed at testing their operational alertness and preparations towards wide industrial fire outbreaks. The exercise which attracted a number of high ranking officials included activities such as safety measures, using a water hose to contain fire outbreaks and evacuation of premises during fire outbreaks.
